

Guidelines for Article Submission

SiELE journal accepts articles on research and development in the field of teaching and learning of English, linguistics, educational development, policy and cultural studies in education.

To be considered for publication, the article should be presented in the following system:

First page: include a title page with the full title of the paper (must not exceed 16 words), the author(s) name(s), affiliation(s), phone number(s) and e-mail address of the corresponding author. A brief bio-data of the author(s) (maximum of 100 words) is provided in this page.

Second page and subsequent page: Submissions should be between 4000-6000 (including abstract, table(s), figure(s) and references) in A4 size paper with margins as the following: top 3 cm, bottom 3 cm, right 2.5 cm and left 4 cm. The font is Times New Roman, size 12 and single spaced. The article should generally consist of the following sections: introduction, literature review, method, results and discussion, and conclusion.

Headings and subheadings should be presented as follows (provide a space between the headings and sub-headings).

1 INTRODUCTION

1.1 Subheading of the Content

1.1.1 Subheading of the Content

For Tables, the title size is 12 and the content size is 10. Please number the tables subsequently throughout your article and the title is written above the table.

For Figures, the title size is 12 and the content size (if any) is 10. Please number the figures subsequently throughout your article and the title is written below the figure.

The reference list should be arranged alphabetically following the guidelines of the Publication Manual of the American Psychological Association (5th ed.). See the following examples:
